About Us

Clarington Library
Museums & Archives

Welcome from the CEO

At CLMA, community is everything. We're thrilled to offer experiences that celebrate our diverse cultures

and stories, connect us with memories of the past, and showcase the neighbourhoods that make Clarington so special. It all starts with a library card, your key to discovering programs, collections and exhibits that let you write your own story.

Whether you're looking for adventurous family outings, cosy time with friends, or a way to warm-up on a chilly day, we can't wait to welcome you.

Warmly,

Monika Machacek
Chief Executive Officer
Clarington Library, Museums & Archives

What I'm Reading

In our home, we love the Myrtle the Purple Turtle series, written by the Canadian mother-daughter team Cynthia Reyes and Lauren Reyes-Grange. With courage and determination, Myrtle uncovers a lie spread about a friend and tracks down the truth.

This fun and lively story carries an important lesson: gossip and lies can hurt, a message that resonates with kids and grown-ups alike.
