About Us

Clarington Library
Museums & Archives

Welcome from the CEO

I look forward to fall every year; return to school and cozy nights.

This fall, we are welcoming bestselling

author Shari Lapena on October 15, and beloved children's writer Ted Staunton on November 13.

You can stock up on books at our annual Harvest Festival Book Sale on October 4! Or, at the Winter Market on November 29, an event that features local vendors and authors.

Learn something new about the community we call home with heritage events this fall, including Celebrate Courtice History on October 2, the Heritage Fair on November 1, and the popular and spooky Spirit Walks in October.

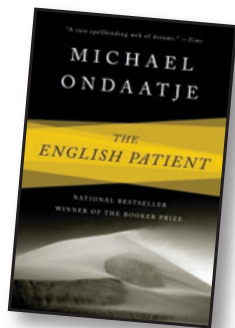

There are so many wonderful things happening at the CLMA and around Clarington, I hope you check them out!

Warmly,

Monika Machacek
Chief Executive Officer

What I'm Reading

Michael Ondaatje's 'The English Patient' is not a quick read, but definitely a rewarding one. The elegantly written story drifts between timelines and characters, gradually pulling you in until you're totally immersed. It's a Canadian classic that's been on my list for years and I'm glad I picked it up!
