About Us

Clarington Library
Museums & Archives

Welcome from the CEO

Summer is finally here and with it, all the energy and possibility that comes with longer days, warmer nights, time spent outdoors

with family and friends, and a community that truly comes alive.

This season, CLMA is buzzing with programs and activities for every age and interest. Whether you're joining us for a storytime or puppet show, exploring a new exhibit, following along with the hatching of our chicken eggs in Orono, or simply finding a quiet corner to read or create, we're so glad you're here.

We're also in the middle of something very exciting: the Bowmanville Library renovation. This is a once-in-a-generation opportunity to shape a vibrant, modern space that brings library, museum, and archival services together under one roof, complete with a brand-new café. I'd love for you to be part of it! Share your ideas, attend an information session, or complete the survey at cplma.ca/renovation. Survey participants will even have the chance to help name the new café, and five lucky winners will receive a CLMA mug and gift certificate to the café they helped create. This is your space, and your voice matters. We want to hear it.

Summer is a time for connection, curiosity, and making memories. We hope CLMA is part of yours.

Warmly,

Monika Machacek
Chief Executive Officer, Clarington Library,
Museums & Archives
