# STORYWALK®!

## *About StoryWalks®*

We hope you enjoy this fun, educational activity that places pages from a children's storybook along a path!

StoryWalks® were created as a way for people of all ages to combine physical activity in a local area with a story, combining a love of two things: storytelling and walking.

## *About the Book*

### **The Flower Thief**

by Alice Hemming and Nicola Slater

Spring is here and today a flower has sprung to life. But when Squirrel becomes too protective of it, Bird shows Squirrel the right way to let flowers blossom and grow.
